Statement of the Iranian Red Crescent Society regarding International Aid for the People Affected by the recent Earthquake in Iran

With deep appreciations and thanks to all those who expressed their solidarity with the victims of the recent earthquake and declared readiness to assist the Iranian Red Crescent in the current operation, we wish to announce that the search & rescue operation has been completed and the emergency sheltering is being conducted by the IRCS with national resources.

Considering the extent of damages caused by the disaster we welcome kind offers of assistance for the next phases of operation including transitional relief, rehabilitation and recovery. In kind needs consist of winter tent, blanket, warm clothes, hygiene sets and ground sheet. To this purpose, please note of the following account numbers.
